On the reverse side of this letter you will find a list of patrons who have made a financial contribution to the band program in support of your band student. The list includes their address, the amount of their contribution, whether they requested an email receipt from the band, their email address and the overall total amount contributed towards your child. This amount goes together with the fundraising amounts for the fruit/cheesecake sale we did in October and November where the students receive a portion towards the end of the year trips.

If the sponsor requested an email receipt they should have received it by now. I sent them out January 28 from the email address bpjones78@gmail.com. I ask that you please check with them to see if they have in fact received a receipt from the band. If a problem has come up with them not receiving a copy it could very well be that their email address has been typed incorrectly and so verifying that email address with them would be helpful. I did have a few bounce back saying their filters have blocked them. If needed I can resend them but will need your help in getting the receipt sent to them.

I have ordered thank you cards for every person who sponsored your child. If you wish to receive thank you cards from the band to send to the donors please let me know so that I can give them to your child for them to bring home and write a short message before you mail them off. You may also choose to send your own thank you cards but again please let me know so that we can be sure they do in fact receive a thank you from you or the band program.

If you have any questions please contact me at 843.762.2740 or through email at benjamin_jones@charleston.k12.sc.us

Thanks,
Ben Jones
